20th Singapore–Hong Kong Exchange Programme 2026

Return Visit of Schools of Singapore to Hong Kong

(11 to 17 November 2026)

Following our students' visit to Singapore in July 2026, our school warmly welcomed teachers and students from our buddy school, Bukit Merah Secondary School, to Hong Kong, held from 11 to 17 November 2026. Co-organised by the Singapore Ministry of Education and the Hong Kong Education Bureau, the 7-day programme continued the theme 'Connecting Cultures, Nurturing Harmony', promoting educational and cultural exchange while strengthening the friendships established during the summer visit.

The programme began with a Welcome Ceremony with the gracious presence of our Guest of Honour, Mr TANG Kai-chak, Principal Education Officer (School Governance and Efficiency of EDB), at our school on 11 November, bringing together teachers and students from the participating schools of both places. During the school exchange activities, Singaporean students joined their Hong Kong buddies in learning and experiencing local school life. The interactions provided valuable opportunities for students to appreciate different learning perspectives and deepen their mutual understanding.

A highlight of the programme was the Centralized Learning Journey at the Hong Kong Disneyland on 13 November. Teachers and students participated in the Disney Youth Education Programme, 'Global Perspectives: An Adventure in Our Society', extending their learning beyond the classroom through a shared educational experience. Another memorable occasion was the Host Family Programme on 15 November. Singaporean students spent the day with their buddies and families, participating in family-arranged activities to explore the culture of Hong Kong.

The Farewell Ceremony at Queen Elizabeth School on 16 November with the gracious presence of our Guest of Honour, Ms CHIU Lo-man, Senior Education Officer (Government Schools Section of EDB), brought the school exchange activities to a meaningful conclusion. Through reciprocal visits, students developed greater cultural awareness, confidence and appreciation of diversity. The Exchange Programme transformed an overseas encounter into a lasting connection, leaving students from both places with treasured memories, deeper friendships and a broader global perspective.

Teachers and students from Hong Kong and Singapore gather at our school for the Welcome Ceremony, celebrating cultural connections and lasting friendships.

Our Guest of Honour, Mr TANG Kai-chak, Principal Education Officer (School Governance and Efficiency of EDB) (5th left), together with other guests launch confetti cannons at the Welcome Ceremony, marking the start of the return visit of the 20th Singapore–Hong Kong Exchange Programme 2026.

Mr Clifton KOH, Vice Principal of Bukit Merah Secondary School (seats of first row, 2nd left), and Principal CHAN (seats of first row, 3rd left) present school souvenirs to each other, symbolising friendship and partnership between the two schools.

Teachers and students from Hong Kong and Singapore visit Stanley during our Outdoor Learning Day on 12 November 2026, discovering local heritage and strengthening friendships through shared experiences.

Teachers and students enjoy a dim sum lunch in Stanley, experiencing local dining culture.

Students participate in a STEAM workshop, learning about gel electrophoresis and strawberries DNA extraction while developing scientific inquiry and practical laboratory skills.

Students proudly display their colourful creations after the STEAM workshop, celebrating shared learning and collaboration.

Students practise Chinese calligraphy together, appreciating the beauty of traditional brushwork and strengthening cultural connections through artistic expression.

Students proudly display their framed calligraphy works, showing creativity and cultural appreciation.

Teachers and students from 5 Singaporean Government Secondary Schools and 5 Hong Kong Government Secondary Schools join “Global Perspectives: An Adventure in Our Society” at the Hong Kong Disneyland, broadening their global perspectives and fostering cultural understanding.

Students display their paper creations during the Disney Youth Education Programme, embracing diversity and connections across cultures.

Students of Bukit Merah Secondary School and our school exchange gifts at the Farewell Ceremony, expressing gratitude and cherishing the friendships built through the Exchange Programme.

Our Guest of Honour, Ms CHIU Lo-man, Senior Education Officer (Government Schools Section of EDB) (seats of first row, 6th left), together with teachers and students from Singapore and Hong Kong gather at the Farewell Ceremony, marking the completion of the Exchange Programme and cherishing lasting friendships.
