

Hong Kong Olympiad in Informatics, 2011

Four students from our school were short-listed to join the final event of the Hong Kong Olympiad in Informatics, 2011 held on 4th December 2010. The competition examines candidates' analytical power and programming skills. Despite the keen competition, our representatives were able to perform well and won the following awards:

Junior Group 3D Yuen Chin Ki Bronze Medal

Senior Group 5C Chan Shing Kit Bronze Medal

6B Mui Cheuk Lau Bronze Medal

6B Wong Ho Yan Bronze Medal
