

## The New Territories Outstanding Students Selection

Despite the keen competition among secondary students from eight districts of the New Territories, S.4 Chow Hiu-yun has been selected as one of the ten awardees in the New Territories Outstanding Students Selection, organized by the Federation of the New Territories Youth, for her excellent performance in academic studies, extra-curricular activities and social services. For this achievement, she was awarded a trophy, a certificate and a cash coupon worth HK\$1,000.

Candidates were required to participate in the outstanding students selection within their individual districts. The top three of each district were nominated as candidates for the New Territories Outstanding Students Selection. Candidates were then required to undergo a test to examine their abilities as well as their knowledge and understanding of public affairs. In addition, group and individual interviews were also required. In the end, the top five candidates from 48 candidates, composed of both junior and senior form students, were selected for the New Territories Outstanding Students Selection.
