

SA Election 2011/2012

The elections for the new Student Association of this academic year was successfully held in the school hall on 5th September. This year, there were two cabinets, Polaris and CASA. During the first two days of school, both cabinets canvassed their schoolmates for votes with their attractive promotional materials and banners, (creating a strong atmosphere of election/enveloping the school in a strong election atmosphere). During the pre-election Student Association Forum, the two cabinets were well-prepared and responded with skill and finesse to the challenging questions raised by their opponents and audience. In the election, each student was given a chance to vote for the cabinet they supported. This fully exhibited the democratic system in our school. Eventually, Polaris won the election with 584 votes, taking on the responsibility of serving our students in the new academic year.
