The N.T. Heung Yee Kuk Yuen Long District Secondary School's High Flyers' Sharing Session was held on 17th December, 2011 with the participation of 350 primary school students, parents and teachers from 40 primary schools. It was held to provide an opportunity for our school's elite students to express their gratitude towards the efforts of the primary school teachers. Participants have a chance to have a taste of secondary school life, to tour around the school and know more about the procedure of S1 admission. All the participants greatly benefited from the sharing session.
