

Visit from Our Sister School

Mr. ZHOU, Assistant Principal from our sister school, Jinhua No.2 Middle School visited us on 7 December 2018. Principal YUEN and Mr. ZHOU exchanged souvenirs on behalf of the schools. Our teachers and student representatives enthusiastically showed Mr. ZHOU around, introducing the equipment, facilities, and extra-curriculum activities of our school. The visit greatly enhanced Mr. ZHOU's understanding about school education in Hong Kong as well as promoted cultural exchange among students and teachers.
