

## "Be a Government Official for a Day" Programme

S6 PANG Yan-tsz participated in "Be a Government Official for a Day" Programme launched by the "Life Buddies" Mentoring Scheme organized by Commission on Poverty in summer of 2018.

Among 1163 applicants, Yan-tsz was one of the 34 senior students who were selected for participating in the programme. Having the opportunity to shadow Mr Patrick Nip Tak-kuen, JP, Secretary for Constitutional and Mainland Affairs, Yan-tsz gained hands-on experience of the Principal Official's work and had a better understanding of the Government's operation.

Looking up to her alumni as role models, Yan-tsz, who has also been interested in constitution, expressed her vision in serving the bureau.
