

**Golden Jubilee Celebration Celebrity Lecture–**  
**Professor Timothy W. Tong, President of The Hong Kong Polytechnic University**

To celebrate the Golden Jubilee of our school, it was our greatest honour to have Professor Timothy W. Tong, President of The Hong Kong Polytechnic University to give a talk on STEM education on 29<sup>th</sup> January 2018. Forms 3 and 4 students from our school, as well as students and teachers from other three government schools in the district, namely, Chiu Lut Sau Memorial Secondary School, Tin Shui Wai Government Secondary School and Yuen Long Public School were also invited to attend the sharing session. They were all inspired and enlightened by Professor Tong's sharing.

After the lecture, Professor Tong conducted an interview with our students and teachers. The whole activity was a great success.
