The ceremony commenced with a warm welcome by Mr. LAU Ip Keung, Kenneth, BBS, M.H., J.P. Chairperson of our School Council. He congratulated the school on our achievements and asked alumni to pass on the excellence and contribute to our society. Principal LAM then expressed his heartfelt gratitude to the former principals, former Chairpersons of the Alumni Association and Teacher Advisors for the success of the Golden Jubilee Celebration events.

After Principal LAM's speech, 46 alumni representing 46 cohorts were invited onto the stage to conduct a Lighting Ceremony. With the participation of our guests and Principal LAM, the lighting ceremony was successfully completed. The design of the lighting image conveyed the message that our alumni who are contributing to society in different fields have returned to school to share the joy of the Golden Jubilee Celebrations.

Under the lead of Principal LAM, everyone raised their glasses and wished Heung Chung a Happy Birthday and continued successes in the future. The toast was followed by a moving rendition of the school song sung by all guests, alumni, staff and students.

Finally, a group photos with the smiling face of everyone marked the start of the magnificent Golden Jubilee Banquet.
