

**Sharing Session on 2017 Policy Address with Political Assistant to Secretary for
Constitutional and Mainland Affairs Mr. Kenneth NG**

We were honoured to have invited Political Assistant to Secretary for Constitutional and Mainland Affairs Mr. Kenneth NG to share with our S.4 and S.5 students on the 2017 Policy Address on 25 October 2017. As one of the highlights of the Liberal Studies Subject, the sharing session aimed to provide students an opportunity to better understand the 2017 Policy Address and develop our students' sense of commitment to our society. Mr. Kenneth Ng stressed the importance of a number of new initiatives which are closely related to the Youth, including Innovation and Technology, Education, and Youth Development. Our students were very attentive and actively participated in the Q&A session. As a member of our alumni, Mr. Kenneth NG encouraged Heung Chung students to explore more and treasure opportunities to further equip themselves for the challenges of the future.
