

Lee Ying-Shih, our alumna, was in the HK Olympic Torch lineup

Former Hong Kong elite athlete Vivian LEE Ying-shih graduated in our school in 1996. She was a Hong Kong record holder in swimming. In 1994, Vivian, a member of the women's swimming team, won a Silver medal in 4X100 Freestyle Relay in Asian Games-Hiroshima, bringing great honour to Hong Kong. She was one of the torch bearers in the Hong Kong's Olympic torch relay to spread the Olympic spirit. Being seven months pregnant, she lifted the torch high with her baby girl in her womb. This has become the talk of the city.
