

“One person, One Flower Scheme”

Our school has joined “One person, One Flower Scheme” organized by the Leisure and Cultural Services Department. It is encouraging that 110 students have signed up to take part in the programme. The objectives of the programme are to cultivate students’ interest in growing plants and to promote a green culture among the students. Each participating student was given one seedling, a flower pot and soil. Participants are required to keep a record of the process of planting the flowers.
