The We Love Hong Kong Association has organized the annual “We Love Hong Kong Ten Outstanding Youngsters Selection” to recognize and award students with outstanding achievements and encourage them to make further contributions to society.

This year, TSE Chung-wing from S.5 was selected to be one of the ten outstanding youngsters due to her outstanding performances in conduct, social service, academic results and leadership. When accepting the award, she was deeply honored and expressed gratefulness to her parents and teachers for their endless support, unconditional love and patient nurturing. In return, she said she would make every effort to be a positive influence on society in the future.
