In order to help students plan their future career paths, the Careers Team organized a Career Talk on 20\textsuperscript{th} April 2016. We are honoured to have invited our alumni, Mr. Ng King Chun, Kenneth to share his valuable experience with our schoolmates. Being a successful and renowned journalist, Mr. Ng provided our students with a lot of useful information about his profession. Students showed great interest in the talk and learnt a lot from their big brother.
