

PTA Annual Spring Family Trip

(24 March 2024)

On 24 March 2024 (Sunday), our Parent-Teacher Association (PTA) Spring Family Trip was successfully held with more than 100 parents, teachers and students participating in the event. They visited Yim Tin Tsai and Sharp Island in Sai Kung.

All participants took a coach to Sai Kung and then went to Yim Tin Tsai by ferry. They first visited St. Joseph's Chapel (a Grade III historic building), Ching Po School (now Yim Tin Tsai Village Heritage Exhibition Centre), salt fields, and the Jade-Girdle Bridge connecting Yim Tin Tsai and Kau Sai Chau.

At noon, the participants returned to Sai Kung for lunch. They then went to Sharp Island by ferry. On the island, the participants were amazed by the geographic attraction - the tombolo, where they could see different unusual forms of rocks and gravel.

The trip ended at 5:00 pm. The activity not only promoted parent-children relationship and family-school cooperation, but also deepened the participants' understanding of the Sai Kung's ecology, history and culture.
