

2023 Hong Kong Science Assessment Test

(28 June 2023)

30 of our S.2 and S.3 students attained remarkable achievement in the 2023 Hong Kong Science Assessment Test (the Test), organized by the Hong Kong Association for Science and Mathematics Education. They attained **4 Diamond Awards**, **18 Gold Awards**, **7 Silver Awards** and **1 Bronze Award**.

The purpose of the Test is to assess the science process skills of students at S.2-3 levels in Hong Kong and in nearby regions, and to provide feedback to schools on the strengths and weaknesses of students in the test for the improvement of science teaching and learning. It aims at testing students' science process skills, which include observing, classifying, measuring, planning and designing, inferring and predicting, and communicating.
