The event commenced with the national flag-raising ceremony. Due to a clash with other official duties, Principal YUEN was not able to attend the ceremony. Instead, he gave a warm speech through a video. In his speech, Principal YUEN expressed his congratulations to our graduates and commemorated the journey they had gone through in Heung Chung. He also expressed his sincere thanks for the unremitting effort of teachers and hoped that our graduates could extend their deepest gratitude to their parents for their unwavering care and support. He encouraged our graduates to pursue their goals, overcome adversities with great courage and perseverance, actualize their dreams and serve their community as well as contribute to the nation. Finally, he wished all our graduates desirable results in the HKDSE Examination and a promising future.

After the speech, Assistant Principals presented awards and prizes to graduates who attained outstanding academic results in the mock examination and presented graduation certificates to each graduate. Then the farewell video prepared by the teachers and students from other forms was played. The graduate representative, 6A CHAN Cheuk-yiu, delivered her vote of thanks.
