

**‘Be courteous and benevolent, Forge ahead with diligence and optimism’**

**Open Day 2023/24**

(27 March 2024)

Our school’s Annual Open Day was successfully held on 27 March 2024 (Wednesday). With the theme ‘Be courteous and benevolent, Forge ahead with diligence and optimism’, this year’s Open Day attracted 700 guests, including 300 students from 10 primary schools, creating a lively and festive atmosphere.

At 9:30 in the morning, Principal YUEN, along with the guests, staff, and Student Helpers, attended the solemn national flag-raising ceremony at the school hall. Following this, Principal YUEN and the officiating guests, along with student representatives, presided at the lighting ceremony to officially mark the commencement of the Open Day.

On this joyful occasion, students of our 43 clubs and teams displayed their talent, each of which meticulously designed booth games and decorated display boards, and patiently introduced their unique features to the visitors, leaving them in awe and delight. Our students also showcased a variety of captivating performances, including energetic jazz and street dances, graceful Chinese dances, and harmonious symphony of Chinese and Symphonic Orchestras. Visitors stopped to appreciate the visual and auditory delights.

The Open Day concluded at 5:00 in the afternoon, and guests and visitors left with a sense of joy and happiness. Each participating club and team gave their best effort, showcasing their talents. The school established several awards to commend their outstanding performance and contributions.

Participants cast their votes on the performance of different clubs and teams and the results are as follows:
