

Commencement of 2024/25 School Year

(2 September 2024)

The commencement of our school's 2024/25 School Year was successfully held at the school hall on 2 September 2024 (Monday).

Principal YUEN first led all teaching staff and students to attend the flag-raising ceremony. He then gave a speech and expressed his heartfelt gratitude to teachers who have left our school for their effort and contribution. He then welcomed all S1 students and introduced Ms. KWAN Ki-shuen, our new Assistant Principal, and the newly appointed teachers.

Our students shone in different aspects including academic performance, personal qualities and character, extra-curricular activities. Principal YUEN announced the results of 2024 HKDSE, in which our students got excellent results. He expressed his gratitude to all teachers for their concerted effort. He also encouraged S.6 students to continue to strive for excellence in the coming public examination.

This year, Principal Yuen motivated students to foster a fulfilling and fruitful year with three 'G's, hoping that students will have strong grit, pursue their goals with passion and perseverance, eliminate old limitations and embrace growth, and approach others with goodwill and a smiling face.

After the Principal's speech, the Assistant Principals, the Discipline and Guidance teams as well as other functional teams had some reminders for all students. Our two school social workers also had a sharing with students, telling them they are always welcomed to drop by the new social worker offices.

Prior to the closing of the ceremony, Principal YUEN presented badges to the newly appointed Head Prefects, 5E LAW Cheuk-hei and LAM Yi-nga, as well as 86 newly appointed School Prefects to lead and be role models in the new academic year.
