

The National Olympiad in Informatics in Provinces 2024 (Hong Kong)

(25 January 2025)

6E LAM Chi-hang won the **Second Grade Award** (Senior Group) in The National Olympiad in Informatics in Provinces 2024 (Hong Kong). It is organised by the China Computer Federation.

The National Olympiad in Informatics in Provinces (NOIP) has been organized by the China Computer Federation (CCF) since 1995. The competition is conducted simultaneously across various regions, with authorized local organizing bodies using the same exam paper. To provide more opportunities for students aspiring to participate in Computer Olympiads, the Hong Kong Association for Computer Education has been hosting the NOIP Hong Kong division since 2016. The Award Ceremony was held on 25 January 2025 (Saturday).

Award	Awardee
Second Grade Award	6E LAM Chi-hang
