

The 21st Pan-Pearl River Delta and Chinese Elite Schools Physics Olympiad (1 & 2 February 2025)

Our students participated in the 21st Pan-Pearl River Delta and Chinese Elite Schools Physics Olympiad organized by the Hong Kong Physics Olympiad Committee and co-organized by the Physics Olympiad Committee of the Chinese Society of Education and Macau Physics Olympiad Committee. The event featured two competition categories: the Mechanics Test, held on 1 February 2025 (Saturday), open to students from Secondary 1 to Secondary 4, and the Comprehensive Physics Test, held on 2 February 2025 (Sunday), open to all secondary school students. In the Mechanics Test, **4B WANG Kenny Kai-yin** received the **Second Class Honours** while **4F CHAN Lok-hang** got the **Third Class Honours**. **5E CHAN Chun-yiu** was awarded the **Third Class Honours** in the Comprehensive Physics Test.

This competition aims to enhance the overall standard of physics education in Mainland China, Hong Kong, and Macau. It also seeks to identify and nurture students with exceptional talent in physics, while fostering connections and collaboration among physics students and teachers in the Pan-Pearl River Delta regions.
