

Kick-off Ceremony of the 4th Leadership Institute on Narcotics (L.I.O.N.) 2024/25 cum Leadership Training Camp
(8 March 2025)

On 8 March 2025 (Saturday), **4D KWAN Tsin-yuet**, **4E CHAN Cheuk-yui**, **4E LAM Tze-ying** and **4E YAU Ching-yi** embarked on an inspiring journey as participants in the 4th Leadership Institute on Narcotics (L.I.O.N.) for the 2024/25 academic year. Together with 80 students from 20 local secondary schools, the four students attended the dynamic Leadership Training Camp and the Kick-off Ceremony of the 4th Leadership Institute on Narcotics in Sai Kung. Chosen for their academic excellence and leadership potential, they engaged in interactive sessions addressing the causes and impacts of narcotics on individuals and communities, empowering them to promote anti-drug awareness in the school and community.

Founded by the Narcotics Bureau of the Hong Kong Police Force, the programme aspires to nurture energetic young leaders with moral responsibilities and civic awareness to promote drug-free culture in schools and society. At the same time, it helps broaden youngsters' horizons and cultivate positive values, allowing them to learn to appreciate and care about others and contribute to the well-being of the community.
