

‘Yuen Long District Parent Education and Learning Circle’
Joint School Parent Education Activity (II): Bakery Class

10 May 2025

On 10 May 2025 (Saturday), our school, together with Chiu Lut Sau Memorial Secondary School and Yuen Long Public Secondary School, jointly organized the second parent education event –a Bakery Class, under the Yuen Long District Parent Education Learning Circle.

Held in the Home Economics Room of Yuen Long Public Secondary School, the event attracted around 20 parent-child pairs from the three schools. Participants delighted in the baking process, filled with excitement as they watched their creations emerge fresh from the oven. Beyond baking, the instructor shared effective communication strategies with parents to help them better connect with their children. The event not only strengthened parent-child bonds but also deepened parents’ understanding of meaningful communication.

A group photo of participants from the three schools

Parent-child cooperation in making cupcakes

Fully immersed in the fun

Decorating cakes with devotion

Freshly baked and ready!
