

The 40th Sing Tao Inter-School Debating Competition

(7 May 2025)

Our Debate Team members attended the Grand Final of the 40th Sing Tao Inter-School Debate Competition on 7 May 2025 (Wednesday). They thoroughly enjoyed observing the compelling debates, gaining insights into persuasive argumentation, teamwork, and quick thinking demonstrated by the speakers.

This intellectually stimulating event not only showcased the remarkable eloquence and critical thinking of the participants but also served as an inspirational and enriching experience for our students.

The Sing Tao Inter-School Debating Competition is co-organised by the Education Bureau, Sing Tao Daily and The Standard, and is sponsored by Standing Committee on Language Education and Research (SCOLAR). It aims to provide all round training to improve students' language, debating, analytical and organisational skills, as well as enhancing their interest in social affairs and developing their critical thinking.

Our Debate Team members with Mr. YUEN Chun-wai (1st right) take a group photo with excitement in Queen Elizabeth Stadium at the Grand Final

Our students are greatly inspired by the outstanding debates, further strengthening their resolve to hone their debate skills
