Our S6 graduates, Miss. **KONG Oi-yu** and Mr. **HUI Ka-wing** have been admitted to the **Bachelor of Dental Surgery** programme at **The University of Hong Kong** and the **Bachelor of Enrichment Stream in Theoretical Physics** programme at **The Chinese University of Hong Kong** respectively under the School Nominations Direct Admission Scheme (SNDAS).

Graduate	Bachelor's Degree Programme	Institution
KONG Oi-yu	Bachelor of Dental Surgery	HKU
HUI Ka-wing	Bachelor of Enrichment Stream in Theoretical Physics	CUHK

Aspiring to be a dentist, Oi-yu embodies selflessness and compassion. She aims to make a positive impact on her community through her future career as a dentist.

Ka-wing is a physics enthusiast. He has had a great passion for physics since he was young and aims to further explore the field, contributing to the community through research.

The School Nominations Direct Admission Scheme (SNDAS) is essentially a ‘programme-student matching exercise’ that provides opportunities for secondary students who have demonstrated exceptional talents and interests in specific disciplines / areas to be considered for direct admission to local universities.

We congratulate Oi-yu and Ka-wing on their remarkable achievements and wish them continued success as they embark on their professional journeys and contribute meaningfully to society.
