

**Hong Kong Mathematics Creative Problem Solving Competition for Secondary Schools**  
(12 March 2025)

Our school participated in the Hong Kong Mathematics Creative Problem Solving Competition for Secondary Schools, co-organized by the Education Bureau and Hong Kong Federation of Education Workers and supported by The Hong Kong Academy for Gifted Education (HKAGE). Our team of students achieved outstanding results, earning the **Bronze Award** in the heat event of the competition.

The competition aims at identifying mathematically gifted students and providing them with opportunities to develop their mathematics creative problem - solving and collaboration skills. Our team of students had an invaluable opportunity to demonstrate their teamwork, higher-order thinking skills and creative problem-solving skills.
