

## CLP Energy for Brighter Tomorrows Award 2025

(5 July 2025)

Our student has attained outstanding recognition in the CLP Energy for Brighter Tomorrows Award 2025 organized by the Hong Kong Federation of the Youth Groups. With more than 180 contestants, **5B TANG Lok-lam** was selected as **one of the 20 awardees** in the competition. The prize-giving ceremony was held on 5 July 2025 (Saturday).

The selection aims to recognize and encourage young people who demonstrate resilience and proactivity in the face of adversity. Despite facing challenges within her family, Lok-lam actively engages in counselling and dedicates herself to her studies, showcasing remarkable courage and resilience. Her story serves as an inspiration to those around her, reminding everyone that even in difficult times, hope can be found and dreams can still be pursued. 'It doesn't matter how slow your progress is; what truly matters is that you keep moving forward.' This encouraging message from her teacher has since become Lok-lam's motto.
