

### UK Study Tour (London) (26 June – 5 July 2025)

A 10-day UK Study Tour (London) was organized for 30 S1 to S3 students from 26 June 2025 (Thursday) to 5 July 2025 (Saturday). Students were accompanied by Ms. CHAU Linda, Ms. IP Yuen-shan and Mr. YUEN Chun-wai as they visited London and other neighboring cities.

Our UK study tour provides students with authentic opportunities to connect with British locals while gaining profound insights into the nation's historical legacy, vibrant contemporary culture, and cutting-edge innovations. As participants navigate between British traditions and modern society, they draw meaningful comparisons with their own cultural roots, fostering deeper self-awareness about their Chinese identity within a global context. Through this transformative experience, students evolve into culturally-sensitive global thinkers - individuals who confidently embrace their heritage while appreciating diverse perspectives, ultimately becoming ambassadors of cross-cultural understanding who honor their Chinese values while engaging meaningfully with the wider world.
