

Constitution Territory-wide Inter-school Speech Competition (2024/25)

(9 July 2025)

Our school participated in the Constitution Territory-wide Inter-school Speech Competition (2024/25), organized by the Education Bureau, and was awarded **the Active Participation School Award (Junior Division)**.

The competition aims to encourage students to develop a comprehensive and accurate understanding of the Constitution of the People's Republic of China, recognizing that it serves as the root and source of both the Hong Kong Special Administrative Region (HKSAR) and the Basic Law. Together, the Constitution and the Basic Law establish the constitutional foundation and order of the HKSAR, providing the strongest safeguard for Hong Kong's long-term prosperity and stability.

Our school receives the Active Participation School Award (Junior Division).
