

Commencement of 2025/26 School Year

(1 September 2025)

The commencement of our school's 2025/26 School Year was successfully held at the school hall on 1 September 2025 (Monday).

Principal YUEN first led all teaching staff members and students to attend the flag-raising ceremony. He then gave a speech and expressed his heartfelt gratitude to teachers who have left our school for their effort and contribution. He then welcomed all S1 students and the newly appointed teachers.

Our students shone in different aspects including academic performance, personal qualities and character, extra-curricular activities. Principal YUEN announced the results of 2025 HKDSE, in which our students got the best results since the examination's inception. He expressed his gratitude to all teachers for their concerted effort. He also encouraged S.6 students to continue to strive for excellence in the coming public examination.

This year, Principal YUEN motivated students to foster a fulfilling and fruitful year with three 'H's, wishing that students will have the hope that points their way, the heart that powers their steps, and every step that pushes the horizon further.

After the Principal's speech, the Assistant Principals, the Discipline and Guidance teams as well as other functional teams had some reminders for all students. Our two school social workers also shared with our students, warmly inviting them to visit the new social worker offices anytime.

Prior to the closing of the ceremony, Principal YUEN presented badges to the newly appointed Head Prefects, 5F LI Wenbin and 5E YAU Ching-yi, as well as 83 newly appointed School Prefects to lead and be role models in the new academic year.

Commence the academic year with the National Flag-Raising Ceremony

Principal YUEN (1st right) appoints 5F LI Wenbin (2nd right) and 5E YAU Ching-yi (1st left) as the Head Prefects of 2025/26 School Year
