

2024/25 Citizenship and Social Development
Online Game Learning Platform – “慎思明辨學公民”
& Poster Design Selection on the Use of Thinking Tools
(15 July 2025)

Our school participated in the 2024/25 Citizenship and Social Development Online Game Learning Platform – “慎思明辨學公民” & Poster Design Selection on the Use of Thinking Tools, organized by the Education Bureau. **5C TANG Hengjing** was awarded **Champion**, while **5A POON Lok-kwan**, **5E HUANG Ho-hei**, **6A ZHENG Ka-ki** and **6B CHUNG To-to** were awarded **Merit Award**; our school was awarded **Most Active Participating School Award**. **4E YUEN Yee-tung** was awarded **Merit Award** in the Poster Design Selection on the Use of Thinking Tools.

5C TANG Hengjing was invited to share her reflections during the award ceremony. She expressed that the online game learning platform – “慎思明辨學公民” allowed her to truly appreciate the unique appeal of learning through gameplay. The activity not only deepened her understanding of Citizenship and Social Development but also equipped her with a flexible and engaging approach to learning – truly embodying the spirit of ‘learning through play and finding joy in education’.

The competition aims to encourage students to make good use of thinking tools to organize learning focus of CS. The online game learning platform aims to facilitate students in learning CS through interactive games, so as to enrich their knowledge, enhance their interest in learning the subject and promote self-directed learning. The Poster Design Selection on the Use of Thinking Tools competitions aims to encourage students to use their creativity to design a poster to match the theme, with a view to enhancing their analytical, organizational and creative skills. The Award Ceremony was held on 15 July 2025 (Tuesday).
