

Thailand International Mathematical Olympiad 2024/25

(17 May 2025)

Our students shone in the Thailand International Mathematical Olympiad 2024/25 organized by the Thailand Mathematics Society. The purpose of the competition is to stimulate and foster young people's interest in learning Mathematics, strengthen the ability of their creative thinking, widen their international perspective, and promote the development of primary and secondary education and exchange of educational cultures throughout countries/regions.
