

PolyU Igniting Social Innovation Competition 2025

(30 August 2025)

Our students performed brilliantly in the PolyU Igniting Social Innovation Competition 2025 organized by the Department of Applied Social Science of The Hong Kong Polytechnic University. **4F CHENG Ka-hang**, **4F MA Elinor**, **4F WONG Yeuk-kiu**, **4F XU Le-yi** and **4F ZHENG Jinyang** won the **Best Poster Award**, while **4F WONG Yeuk-kiu** was selected as the **Best Presenter**.

The competition seeks to raise participants' awareness of pressing social issues and their alignment with UN Sustainable Development Goals – Responsible Consumption and Production and Good Health and Well-Being. By leveraging cutting-edge technologies such as Artificial Intelligence, 360-degree cameras, and HiVE facilities, the event provides an exceptional platform for participants to propose and advocate for innovative, viable solutions, thus enhancing students' problem-solving skills.
