

Award Presentation Ceremony for the SOW Campaign 2024/25 cum Fifth Anniversary Exhibition
“SOW Inspiring” Book Gifting Competition
(20 September 2025)

Our students participated in the “SOW Inspiring” Book Gifting Competition under the campaign on “Promoting Positive Values and Attitudes through English Sayings of Wisdom 2024/25” organized by the Education Bureau. **4E CHAN Pui-yan** received the **Outstanding Award (Junior Secondary Division)**, which is the highest award in the event.

With the theme “SOW the Reading Seed – Inspire and Be Inspired” and four sub-themes, namely “Resilience”, “Empowerment”, “Appreciation” and “Delight” (R.E.A.D.), the campaign this year aims to cultivate students’ positive thinking; enhance their English language skills by developing their reading interest and ability; empower them to face adversity; and nurture in them a resilient mindset and a grateful heart through reading.

In the “SOW Inspiring” Book Gifting Competition, students are invited to present a book of their choice as a gift to someone dear to them by writing a message with a saying of wisdom (SOW) taken from the book and creating a piece of two-dimensional (2D) artwork to enhance conveyance of meaning and visual representation of the message. 4E CHAN Pui-yan’s work illustrates the importance of embracing one’s imperfections, symbolizing the peace we can find when we accept our truest selves. It promotes the positive values of self-appreciation and resilience, encouraging individuals to always progress with courage and empathy.

Award Presentation Ceremony for the SOW Campaign 2024/25 cum Fifth Anniversary Exhibition was successfully held on 20 September 2025 (Saturday) to acknowledge and celebrate the achievements of schools and students in various SOW territory-wide competitions. CHAN Pui-yan was invited by the EDB to be the student emcee for the Award Presentation Ceremony and a student docent for the exhibition.
