

International Geography Olympiad (iGeo) 2025 cum
14th Hong Kong Geography Olympiad 2024/25
(1 August 2025)

Nine students from our school participated in the 14th Hong Kong Geography Olympiad organized by the Hong Kong Geographical Association. They passed the written tests and interview, and achieved excellent performance with three **Gold Awards**, two **Silver Awards** and one **Bronze Award** in the competition. Our school was awarded the **Champion School** in this competition.

5E PANG Ching-wai had the best performance in the competition. He was selected as the student representative of Hong Kong, China to participate in the International Geography Olympiad (iGeo) 2025 held in Bangkok on 26 July 2025 (Saturday). He underwent assessments on physical and human geography, map interpretation, and fieldwork skills with representatives from around the world.
