

Campus Mid-Autumn Festival Activities

(6 – 10 October 2025)

To celebrate the Mid-Autumn Festival, the Chinese Club, Moral, Civic, and National Education Committee, Visual Arts Club, and Student Association jointly organized a Lantern Riddle Hunt from 6 October 2025 (Monday) to 10 October 2025 (Friday). Prior to the event, committee members from various clubs worked together to hang lanterns with attached riddles in different classrooms. Students roamed around the campus, searching for the riddles and participating in a competition by submitting their answers via Google Form.

On the day of the Mid-Autumn Festival, a paper folding and paper cutting activity was held in the lobby. Teachers and students actively participated, fully immersed in the festival's elegant and heartfelt atmosphere.
