

Christmas Activities cum Community Chest Dress Casual Day

(19 December 2025)

A series of Christmas activities, themed ‘Be Grateful and Treasure What We Have’, was held on 19 December 2025 (Friday). Christmas performances and class party activities were organised on that day. Principal YUEN and Assistant Principals conducted a lucky draw and gave Christmas gifts to students, bringing warmth to the festive season.

On the same day, our school held a Community Chest Casual Day fundraising event to cultivate students’ sense of care for our society and the spirit of helping each other. The students donated generously and raised a total of \$45,130.
