National Security Short Speech Competition is a key initiative under “2026 Let’s Join Hands in Safeguarding National Security” Programme. The competition aims to encourage students to reflect on the relationship between national security and themselves, and express their understanding of “A Holistic Approach to National Security” through a short speech, thereby strengthening their awareness of safeguarding national security and enhancing their sense of belonging to our country.

Standing out among contestants from across Hong Kong, CHIU Tsz-yau’s work was first selected as one of the top five shortlisted entries before she advanced to the Grand Final. During the final, she delivered an insightful speech on the importance of safeguarding national security in fluent English. She demonstrated a profound sense of national pride and remarkable confidence. Her inspiring delivery effectively enhanced her peers’ sense of national identity.
