(5 – 6 March 2026)

From 5 March 2026 (Thursday) to 6 March 2026 (Friday), our school participated in the Greater Bay Area Career Exploration Tours Programme – Guangzhou Career Exploration Tour organized by the Education Bureau. 40 Secondary 4 students, led by Mr. YEUNG Ho-lun, Ms. PANG Sze-wan, Ms. WONG Lai-chun, and Mr. YUEN Chun-wai, visited cultural landmarks in Guangzhou, including Yongqing Fang and the Nansha IFC Sky Library. They also toured enterprises and innovation hubs such as Guangzhou Ruifeng Audio Technology Co., Ltd., Guangdong Medical Valley, GAC Technology Museum, and Nansha International Talent Port.

This enriching two-day study tour not only enhanced students’ and teachers’ understanding of the latest developments across different industries in the Greater Bay Area, but also strengthened their sense of national identity.
