

## **Thematic Talk on Reading Promotion: Why we should read**

(10 April 2026)

Our school library successfully organised a Thematic Talk on Reading Promotion: Why we should read on 10 April 2026. We were honoured to invite the renowned writer, Mr. Patrick LAM (Patrick Sir), to share with our S.5 students on the joy and power of reading. The event aimed to cultivate students' interest in reading and allow them to explore the wonders of written texts.

During the talk, Mr. LAM drew on his own writing and reading experiences to help students understand how words connect imagination, feelings, and thoughts. Through his insights, students were encouraged to see books from a new perspective: not just as tools for learning, but as companions that grow with us.

Through this event, students developed a stronger motivation for reading and were encouraged to develop lifelong reading habits. Students found Mr. LAM's sharing both inspiring and rewarding. They realized that reading is not only a way to gain knowledge, but also a means to cultivate positive values and build the character needed to face challenges with a growth mindset.

Students listen attentively as Mr. LAM shares his insights.

Mr. LAM leads students to explore the wonders of written texts through a popular science fiction novel.

After the sharing, Mr. LAM takes a group photo with Ms. KWAN Ki-shun, Assistant Principal, Ms. HUNG Chi-yan, Ms. FONG Hoi-yan and Ms. AU Shuk-ying (front row, from left to right).
