

## Neighbourhood Reunion Lunch

(7 February 2026)

On 7 February 2026 (Saturday), twenty S1 to S5 students participated in the volunteer service programme 'Neighbourhood Reunion Lunch' in Tin Shui Wai, organized by the Hong Kong Federation of Youth Groups. The service aims to promote harmony among the families in the local area, home-alone elderly and ethnic minorities. Our students tried their best to contribute to the community by welcoming neighbourhood residents, showing warmth, kindness, and genuine care for their neighbours, and celebrating the Chinese New Year together.
