

## Jinhua-Ningbo Sister School Exchange Study Tour

(28 March – 1 April 2026)

From 28 March (Saturday) to 1 April 2026 (Wednesday), 30 S1 – S5 students, accompanied by Mr. CHEUNG Koon-yu, Ms. AU Shuk-ying and Mr. LEE Cheuk-lam, participated in the school's Jinhua and Ningbo Sister School Exchange Study Tour. The trip aimed at strengthening the friendship between Heung Chung and our sister schools -- Jinhua High School Affiliated to Zhejiang Normal University (Jinhua No. 2 High School) and Ningbo No. 2 High School through visit and exchange with their teachers and students.

On 29 March 2026 (Sunday), our students visited Jinhua High School Affiliated to Zhejiang Normal University and received a warm welcome by the school leaders. After joining a guided tour on the spacious school campus, they participated in their weekly flag-raising ceremony, during which members of our School Flag-guards were specially invited to raise the national flag together, which helped deepen our students' sense of national identity and patriotism. The host school also made special arrangements for a martial arts learning session, allowing our students to practise Chinese kungfu and gain a deeper understanding of Chinese culture.

On the following day, our teachers and students visited another sister school – Ningbo No. 2 High School. After touring the campus, the host school led our teachers and students to the Xianxiang Aviation Flight Camp, where they took part in a drone football competition, sparking our students' interest in aviation technology. They also made and launched rockets carrying their personal wishes, which inspired them to pursue their dreams with courage and a positive mindset. In addition, they enjoyed a drone performance. As the visit took place close to the Ching Ming Festival, the host school invited professionals to prepare Qingtuan on site, conveying warm blessings to our teachers and students.

Our students also visited various historical and cultural attractions, including West Lake in Hangzhou, Zhuge Bagua Village, Cining Ancient Town, Ningbo Old Bund, Nantang Old Street, and Tianyi Pavilion. These visits enriched our students' understanding of our country's history, culture, and latest development, effectively enhancing their sense of national identity and patriotic sentiment.
