

Yuen Long Day x Night Vibes @ Shap Pat Heung Tin Hau Festival Grand Showcase

(9 May 2026)

On the occasion of Tin Hau Festival and the centenary celebration of the Heung Yee Kuk New Territories, our school's Pipa Ensemble was invited to perform Chinese classic pieces at the 'Yuen Long Day x Night Vibes @ Shap Pat Heung Tin Hau Festival Grand Showcase' on 9 May 2026 (Saturday).

Tin Hau Festival in Hong Kong is recognized as a National List of Intangible Cultural Heritage. At this grand event, the ensemble promoted traditional Chinese culture through the crisp and melodious sounds of the pipa, celebrating the festive occasion with local citizens and adding a rich artistic atmosphere to this long-standing traditional Yuen Long festival.

Our students are fully engaged in their performance, infusing the traditional festivities with an artistic atmosphere.

Our students focus fully on pipa performance.
