

Alumni Talk by Dr. Ruby CHING Hok-ying

(26 May 2026)

To broaden students' horizons, we were honoured to have invited our outstanding alumna Dr. Ruby CHING Hok-ying, Chairperson of the Eye Care Charitable Foundation and Registered Specialist in Ophthalmology, to share her valuable learning and work experiences with us on 26 May 2026 (Friday).

Dr. CHING shared the story of founding and running the Eye Care Charitable Foundation with the students. She also offered thoughtful and inspiring insights on different aspects of life, including her success stories in the subject selection, career, time management, goal setting, work-life balance, etc. Students gained valuable insights and were deeply inspired by her sharing.

Our students listen attentively to the sharing of Dr. CHING

Students are eager to get to know more about Dr. CHING and the Eye Care Charitable Foundation
