

SUN Wat-ching Sunny (2026 Graduate) & LEE Kwun-ye (2026 Graduate)
Admitted to HKU Bachelor of Medicine and Bachelor of Surgery
(18 June 2026)

Our S6 graduates, **SUN Wat-ching Sunny and LEE Kwun-ye**, have been admitted to the **Bachelor of Medicine and Bachelor of Surgery (MBBS)** program at **The University of Hong Kong** under the School Nominations Direct Admission Scheme (SNDAS). Aspiring to be doctors, Sunny and Kwun-ye embody selflessness and compassion. They aim to make a positive impact on the lives of people in our community through their future medical career.

The School Nominations Direct Admission Scheme (SNDAS) is essentially a ‘programme-student matching exercise’ that provides opportunities for secondary students who have demonstrated exceptional talents and interests in specific disciplines/areas to be considered for direct admission to local universities.

We congratulate Sunny and Kwun-ye on this remarkable achievement and wish them continued success as they embark on their journey toward becoming a healthcare professional so that they can contribute to our society.
