

## Sunlight & Early Summer, Boundless Creativity:

### 2026 Guangdong-Hong Kong-Macao Greater Bay Area Students Short Film Competition

(1 June 2026)

Our students achieved outstanding results in the ‘Sunlight & Early Summer, Boundless Creativity’: 2026 Guangdong-Hong Kong-Macao Students Short Film Competition organized by the International Life Creative Arts Culture (ILCC). **2A CHEN Wing-ye Serena**, **2B TSANG Man-yau** and **2B KWOK Kam-tin** received the **Champion in the Secondary School Division**.

‘The Sunlight & Early Summer, Boundless Creativity: 2026 Guangdong-Hong Kong-Macao Greater Bay Area Students Short Film Competition’ aims to encourage primary and secondary school students across the region to unleash their creative potential. By utilizing the language of cinematography to capture moments of daily life, students are inspired to showcase their unique perspectives. Through short film creation, the competition enhances students’ observation skills, expressiveness, and teamwork spirit, while fostering cultural exchange among students from the three regions.
