

Jiangxi Sister Schools Exchange Tour

(25 June – 29 June 2026)

From 25 June 2026 (Thursday) to 29 June 2026 (Monday), a group of 30 S1 to S5 students, accompanied by Mr. LO Wai-yan, Assistant Principal, Mr. CHAU Chung-yin, and Ms. LEUNG Nga-yi, participated in the Jiangxi Sister Schools Exchange and Study Tour. The primary objectives of this tour were to explore Jiangxi Province and visit Bailuzhou High School for a simple yet dignified sister-school affiliation ceremony, thereby strengthening the friendship between our two schools.

Our students visited Bailuzhou High School on 27 June 2026 (Saturday) and received a warm welcome from the hosts. Students from both schools seized this opportunity to exchange insights and chat enthusiastically about their daily school lives. During the campus tour, our students walked through the vast grounds of Bailuzhou High School and experienced its profound historical heritage. We have extended an invitation to the teachers and students of Bailuzhou High School to visit Heung Chung in the future, allowing us to return their hospitality.

During the journey, our teachers and students also visited various historical landmarks. These included Central Red Army Long March Departure Memorial Park, the Jinggangshan Revolution Museum, MAO Zedong's Former Residence in Jinggangshan, the Longtan Waterfalls, Nanchang Bayi Square, Tengwang Pavilion, Nanchang Military Vessel Theme Park and the National Archaeological Site Park of Nanchang Han Dynasty Haihun Marquis. The study tour enriched our students' knowledge of the country's historical heritage, cultural traditions, and the daily lives of its people, while simultaneously reinforcing their sense of national belonging.
