

SUN Wat-ching Sunny: Our Second HKDSE Super Top Scorer with 7 Perfect Scores!

Heung Chung's Third Top Performer Excels in Academic Excellence

(12 August 2026)

Our student SUN Wat-ching Sunny, 2026 S6 graduate, got perfect exam scores (5**) across 7 subjects, including Mathematics Extended Part M2 in the 2026 HKDSE and was crowned 'Super Top Scorer'. This outstanding performance crowns her Heung Chung's Second 'Super Top Scorer' and our third Top Scorer overall, succeeding Ms. YU Tung-ching (2022) and Mr. WONG Ching-hong (2024).

We are delighted to have been informed by the Hong Kong Examinations and Assessment Authority of the successful appeal of grade in Sunny's Biology Examination, resulting in her seventh 5**. We are truly grateful to the Hong Kong Examinations and Assessment Authority for seeking accuracy and fairness in assessment, and for acknowledging Sunny's exceptional performance.

Sunny is naturally intelligent, meticulous in her thinking, and excels in both Chinese and English as she consistently pursues excellence. Leading up to the DSE, she was incredibly diligent and proactive in her preparation; even after the examinations, she maintained a strong thirst for knowledge and truth, demonstrating remarkable resilience and unyielding perseverance.

Harboring a deep love for our nation, Sunny is a talented and highly knowledgeable individual. As the commander of our school's Flag Guards, she wholeheartedly led the flag guards in conducting school flag-raising ceremonies. Furthermore, serving as the Chairperson of the Student Association, she highly valued her peers' opinions and upheld a heart of gratitude, dedicating herself to contributing to the campus. Thanks to her outstanding performance, she was honored as one of the top five finalists for the 'Best Devotion to School Award' in the South China Morning Post Student of the Year Awards 2024/25.

Sunny is hardworking, versatile, and well-rounded. Beyond her outstanding public examination results, she actively participated in extra-curricular activities. She secured the Championship in the Finals of the 13th and 14th Inter-Government Secondary Schools English Debating Competition for two consecutive years, showcasing her exceptional leadership, high competence, and stellar performance.

With aspirations of becoming a doctor, Sunny is determined to contribute to society and protect public health with her professional expertise. She has been admitted to the Bachelor of Medicine and Bachelor of Surgery (MBBS) – Distinguished MedScholar (DMS) programme at the Li Ka Shing Faculty of Medicine, The University of Hong Kong. She will complete a dual degree encompassing the MBBS and a Master of Research in Medicine within six years, with opportunities to further her studies at top global institutions. This lays a solid foundation for a medical path that emphasizes both clinical practice and scientific research. Caring for patients with a global perspective, she hopes to combine scientific research with clinical practice to enhance the health and well-being of humanity.

Many congratulations to Sunny, an exemplary role model to all Heung Chung students. We are all so proud of you!
