

**Three 2026 Graduates Admitted to HKU Medicine Programme**  
**Attend White Coat Inauguration Ceremony for Medical Freshmen**  
(3 October 2026)

Three of our 2026 graduates who are admitted to the **Bachelor of Medicine and Bachelor of Surgery** attended the White Coat Inauguration Ceremony for Medical Freshmen at the University of Hong Kong (HKU) on 3 October 2026 (Saturday). This meaningful milestone marks a formal welcome into the medical profession, as our graduates put on their white coats for the first time. As told by Professor Lau Chak-sing, BBS, JP, Dean of Medicine of HKU in the ceremony, the white coat represents the expectations of their families, the standards of medical profession and the trust of every future patient.
