Heung Yee Kuk New Territories Centenary Celebration Dinner

(23 October 2026)

On 23 October 2026 (Friday), accompanied by Principal CHAN, Ms. CHAU Linda and Ms. IP Yuen-shan, the members of our school's Chinese Orchestra and Chinese Dance Team and two fashion show performers were deeply honoured to participate in the 100th Anniversary Celebration Dinner of the Heung Yee Kuk New Territories. Since 1926, the Heung Yee Kuk New Territories has upheld the spirit of 'love the country, Hong Kong and rural community', united New Territories villagers and safeguarded rural traditions and rights, consistently served as a steadfast bridge between the government and rural residents. Under the theme of 'Heritage and Prospects', the banquet, which was held at 6:00 p.m. in the Grand Hall of the Hong Kong Convention and Exhibition Centre, gathered the Chief Executive, Mr. John LEE Ka-chiu, and over 1,200 political and business leaders, New Territories gentry and community elites to witness the remarkable contributions and its glorious journey of patriotism and dedication to Hong Kong and the community and to commemorate this once-in-a-century historical occasion.

During the banquet, our school's Chinese Orchestra performed 'Celebration Meeting' and 'Dance of the Golden Snake'. 'Celebration Meeting' is a lively and joyful piece that vividly portrays people gathering in celebration, while the ensemble version of 'Dance of the Golden Snake' features an uplifting melody and resounding gongs and drums, enhancing the festive atmosphere. Our school's Chinese Dance members presented 'The Dance of Sun-drying Skirts', a graceful Yao dance showcasing the richness of ethnic culture and the vitality of youth.

In addition, two student representatives participated in a fashion show wearing our school uniform, joining professional models and fellow students to showcase fashions from the 1960s and 1970s. Through everyday attire, the show traced the Heung Yee Kuk's century-long development and expressed good wishes and aspirations for the future. The young performers' contributions embodied the theme of 'Heritage and Prospects', symbolising the passing down of the Heung Yee Kuk's traditions and its commitment to working with younger generations towards a brighter future.
